

## Grand Master Chen Zhenglei

### “Light of Taichi” 2017 Summer Camp in Toronto

The “Light of Taichi” series seminars by Grand Master Chen Zhenglei are designed to meet the requirements of higher level Taichi learning for key promoters of Chen Zhenglei Taichi system. Since its first in 2012 in Los Angeles, the annual summer camp has become more and more popular and the number of participants grew steadily each year. The 2016 summer camp in Seattle was a huge success with over 90 people participated in the training. Many of the attendees are GM Chen’s disciples, designated seminar organizers, advanced students as well as beginners with a fresh start. We continued to complete learning the New Frame One, Push-hands and Combative Applications. There was a disciple pledge ceremony held at Hong Yijiao’s school. For many spectators it was their first time to witness such event in a traditional setup and procedures. More than thirty people also took part in the Duanwei examination. A team of examiner were flown in from China organize the examination. The Closing Ceremony was held at the University of Washington with local dignitaries on site.

The workshop was a great success. Besides leaning from the highest level Taichi master in the world, attendees also had the opportunity to meet many other Taichi enthusiasts.

We said it last year and we’ll say it again - “A tip from the master tops ten years of hard work!” Students who attended the summer camps realized the importance getting training tips from the Grand Master. That’s why they have followed him. Now the 2017 “Light of Taichi” Summer Camp will be held in Toronto from Jun 17<sup>th</sup> to June 21<sup>st</sup>. A master of a generation Grand Master Chen Zhenglei will lead his top team and bring the most authentic and profound family arts to Taichi enthusiasts to Canada for the first time. His advanced disciples will gather in the Canada and assist him teaching at the workshop. Don’t miss this great opportunity. Register now!

Oh wait! There is a Taichi Competition, too! We are organizing the first of its kind competition during the summer camp. Here are the highlights:

- It will be part of the world famous 27<sup>th</sup> International Dragon Boat Race Festival. The race has over 5,000 competitors and over 100,000 spectators. AND we are a part of that!
- The Taichi competition will be out-doors in a traditional ancient kungfu tournament setup. No, you don't fight to the death! It's only the setup and how the core are called.
- We are adding an event in Duanwei routines (single and two-person). You won't be graded for a Duanwei ranking certificate but you will be prepared if you intend to do one later.
- We are adding an event in Push-hands demonstration. What it means is that you will perform in pair and you will core in your performance in both technical and showmanship.
- We are planning a Grand showcase by Grand Master Chen's disciples on site and there will be many of them at this event. It will be a royal treat!

The “Light of Taichi” Summer Camp has become an event most are looking forward to. Even during the 2016 Summer Camp, many students already began inquiring about the 2017 Summer Camp. We have received numerous inquiries about the Toronto summer camp. Planning for the competition took a long time and effort. We are now ready to roll it out. The summer camp seminar venue and hotels are still being negotiated. Additional details will be provided as soon as they become available.

Please check: [www.chenstaichi.com](http://www.chenstaichi.com) for updates.

Toronto has a huge Taichi community. The “Light of Taichi” seminars will be open to a wider audience. GM Chen encouraged all his disciples and seminar organizers to promote the event in order to bring authentic Chen's Taichi to more Taichi lovers. Those who gather ten or more attendees for this event will be named as co-sponsor of the 2017 “Light of Taichi” Summer Camp and they will be awarded for their great effort. Please promote this event and encourage more Taichi enthusiasts to participate in this first of its kind “Light of Taichi” event!
